As fervent believers in the transformative power of design, IROCO Design strives to make trade shows and event spaces unique by supplying some of the world's most beguiling furniture.

IROCO Design will help your brand move beyond the purely functional to a world of emotion and sensation, thus ensuring your brand values are elevated, and your message is clearly communicated to your clients at all your events.

We achieve this by scouring the furniture industry for the most beautiful, original and practical pieces that work within all budgets. Our quest has led us to forge relationships with hundreds of furniture suppliers, small and large, who are continually providing us with valuable insights into emerging trends.

A committed service provider and veterans of over 8,000 events, we consider ourselves experts on what works, what doesn't, which pieces combine best with others, and which furniture suits certain ambiances, light or venues.

Call us, visit our website or come and see us in Hong Kong, Shanghai or Tokyo, and you'll receive tailored advice from people who come from design backgrounds.

At IROCO Design, we understand the value of Design.
